Dear Art:

I wont be able to get the pictures off to you until the later part of the week, but I will get them at that time.

Will you please get rooms at the Carver Hall for the team for Saturday June 9th, and Sunday the 10th. There will be about 18 with Abe and the bus driver.

If you prefer having me write for the rooms please let me know right away. Who would I direct the letter to?

I am enclosing you our lineup now, plus the names of the players in the army and navy.

Are you coming this way any time soon. I would love to talk to you.

Very Truly Yours
